

Welcome

The year is going very fast and we are finally enjoying some warmer weather. We have 22 children leaving us in July to move on to their next big adventure - school. They still have plenty of time to have lots more fun at Little Gruffalo's before they leave us.

Our last day before we close for the summer holidays is Friday 12th July as this is when funded sessions finish. We will be opening for the extra week while the schools are still open (week commencing Monday 15th July) and parents may book these days as extras. More information, including prices, to follow.

We have a lost property box outside the front door. Please have a look through for any items belonging to your child. Any items left when we close for summer will be taken to the charity shop. To avoid upset if items get broken, we do ask that toys from home are not brought into the pre-school.

We still have some outstanding bills. If you still have an outstanding invoice, please can you pay these ASAP to avoid any additional charges being added.

When waiting for us to let the children in, please do not allow them to run into the neighbours gardens or throw stones at their houses as we have recently received complaints.

Summertime

Please ensure you put sun cream on your child before bringing them in and let the member of staff on the door know you have done so. We can apply more to your child during the day as needed.

We do have sun caps for the children to wear, but if they bring their own please ensure it is named.

Please make sure your child is dressed appropriately for the changeable weather.

Messy Play

Please do not send your child to pre-school in their best clothes.

We love to have fun making lots of mess with paint, glue, food, water play etc.

Medication

Please ensure any medication has the dispensing label from the Chemists on, clearly showing your child's name. Please also bring in any relevant information from the doctors.

NEVER leave medication in your child's bag as the children do have access to their bags throughout the session.

If your child needs nappy cream, please bring one in to leave here, again labelled by the Chemists, showing your child's name.

Contacting us

If you have any queries, or need to report an absence, please ring us on 01482 865227 or email us on preschool@ctca.org.uk.

If your child wears nappies, please make sure they have enough nappies and wipes in their bag to last the session.

Please ensure all items are named, including packed lunch boxes and wipes.
